The **INTERFAITH VOLUNTEER CAREGIVER** program is a volunteer coalition designed to assist older or disabled adults to remain independent and in their own homes with grace and dignity.

HOW CAN YOU – MAKE A DIFFERENCE

A kind and listening ear, nimble fingers, two strong hands, sharp vision, or sure and steady feet can make a tremendous difference in the life of someone who is struggling to remain independent. Everyone has a special gift to offer, and the Interfaith Volunteer Caregivers Program provides all the training and support needed to help volunteers share their talents with others. Through this program you have the opportunity to reach out to those in our midst who need your help.

Interfaith Volunteer Caregivers are:

*People willing to be personally
involved.*

Neighbors helping neighbors.

*People with a genuine concern
for others.*

Volunteers put faith into action by helping the homebound improve their quality of life. There is no measure for the difference a few hours can make in the life of someone homebound and in need.
