LIVINGSTON COUNTY CATHOLIC CHARITIES

Serving Families of All Faiths

*“Compassion for the
community in times of need”*

Who we are

Since 1985, Livingston County Catholic Charities has been dedicated to serving individuals, families, groups and the entire community through caring, compassionate, and strength based programs. We have served thousands through the years through our numerous programs and services that provide tremendous value to the community as a whole.

What we do

Livingston County Catholic Charities provides the community with the resources and know how to tackle many critical issues. Our dedication to helping any individual (regardless of race, religion, age, disability, gender and financial ability) is what truly makes the organization one of a kind.

Our Mission

"The mission of Livingston County Catholic Charities is the work of the Catholic Church, to share the love of Christ by performing the corporal and spiritual works of mercy."

Services

Counseling

Accredited family service agency offering mental health counseling for individuals, groups, couples, families, and children.

Interfaith Volunteer Caregiver Program

Volunteer services designed to assist older or disabled adults to remain independent and in their own homes with grace and dignity.

Senior Resource Advocacy

Providing support and information on resources available in the community to individuals 60 years and older.

Be Our Guest Adult Day

A supportive and caring environment for memory impaired adults who would benefit from a structured day setting. Our goal is to provide meaningful services that enrich the lives of older adults, families and caregivers.

Substance Abuse Treatment

Individual and group therapy provided following an initial assessment and determination of appropriate level of care.

Family Life Education

Providing support and information to families so that they are able to live full and better lives.

Substance Abuse Prevention

Communities Mobilizing for Change in partnership with Livingston County Community Alliance.

"LCCC is a crucial part of my support system. I have been able to comprise a realistic road to lasting recovery through these sessions and one that I feel if followed will lead to my continued success. This has included identifying short and long term goals, further substance abuse education, relapse prevention, identifying relapse triggers, and learning, most importantly, more about recovery and how this is a way of life and I must live it." — B.H.
