

## RELIGION CURRICULUM COMMITTEE

We would like to express our sincere gratitude to the dedicated educators who came together during Curriculum Institute 2007. Through their hard work, dedication and vast knowledge of our faith, we have created a solid foundational document for the instruction of religion in the Diocese of Lansing.

We also wish to extend our thanks to the ***Sustaining Pastoral Excellence Center*** for providing us with funding that will aid in the creation, publishing, and distribution of our Religion Curriculum, and for the use of their beautiful facility at the St. Francis Retreat Center in Dewitt. For all of this, and especially for God's guidance we are grateful.
