

# Palm Sunday Procession in the Home

Have a Palm Sunday procession throughout your house or yard with homemade palms and music. Before the procession begins, read Matthew 21: 1-9. After the reading, have everyone in the house bless themselves with Holy Water. Begin the procession by walking through the house and visiting each room. Be sure to wave your palms in the air and shout “Hosanna!” During the procession, play procession music. Feel free to sing along. At the end of the procession join around the table to read the Palm Sunday Gospel Reading.
