

HOW TO PAY FOR PARKING IN 4 STEPS

Lansing has pay stations for on-street parking that use a pay-by-zone system. Your payment is linked to your vehicle's license plate, not the parking space, so you can move your car within the zone until your time is up or the maximum time allowed. **On street parking is free after 6:00 p.m. on weekdays and all day on weekends.**

1 Press the start key

The screen on the parking station may be black. Press the start key to "wake" the unit from power save mode.

2 Enter plate and zone

Using the keypad, type your license plate number and the zone number your vehicle is located in. Press the green check mark button to confirm.

3 Insert payment

Both coins and credit/debit cards are accepted.

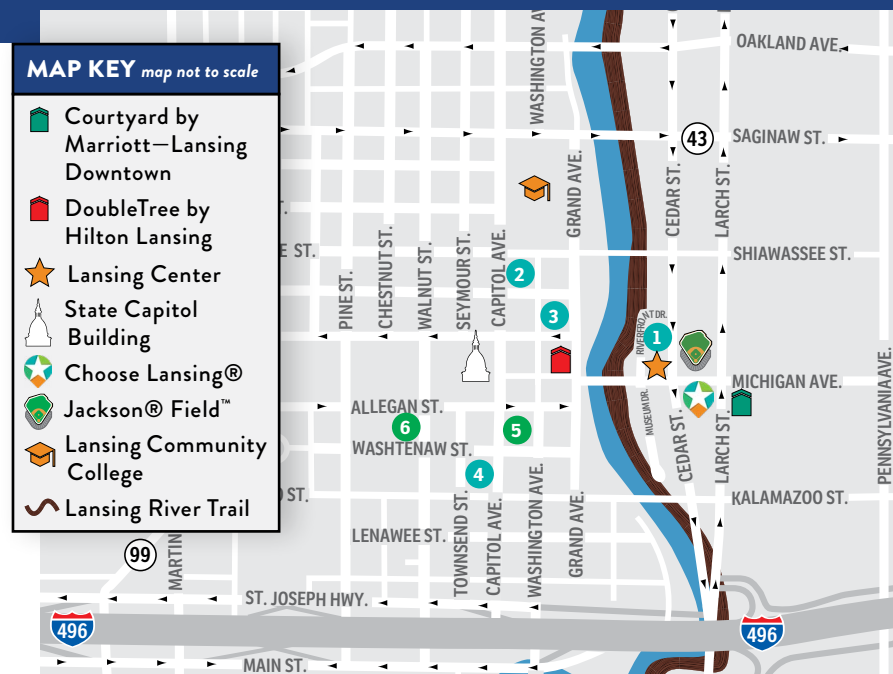

4 Select time

You can elect your stay time using the blue "-" and "+" buttons on the keypad. Press the red cancel button if you need to start over. Press the green button on the keypad to confirm your stay time and a receipt will be printed.

Or, skip these steps and download the **Passport Parking App**. Pay for your parking session from your phone. Available for Apple and Android devices.
