Christopher West, Th.D.

Dr. West is one of the founders of the Theology of the Body Institute and has served in various capacities since 2004: as the leading faculty member, as a board member, a research fellow, curriculum advisor, and as President of the Institute since 2018. His global lecturing, best-selling books, multiple audio and video programs, and popular podcast (co-hosted by his wife Wendy) have made him one of the world's most recognized teachers of St. John Paul II's Theology of the Body. Of all his titles and roles, however, he is most proud to call himself a devoted husband and father.

Mike Mangione

Mike is a professional Americana/folk/blues musician who has toured the world both as a solo artist and with his bands Mike Mangione & the Union and Mike Mangione & the Kin. He's been sharing the gift of his music at Theology of the Body Institute courses and events since 2008 and is co-creator with Christopher West and Jason Clark of the Institute's premier live event *The Well*. He is also co-host of the podcast *Word Made Flesh*, alongside Christopher West and Bill Donaghy, and a proud husband and father of three.
